

Church History Syllabus

COURSE DESCRIPTION:

In this course the student will gain a basic grasp of our Christian heritage. Great leaders, historic events and turning points in history will be discussed with a goal of explaining how the modern Church got where She is today.

I. Rational: Every Church leader needs a basic understanding of Church history, in order to understand why Christians believe what they believe.

II. Prerequisite: None

III. Program Objectives:

A. Cognitive: The student will develop an understanding of Church history.

B. Performance

1. The student will be able to speak on the subject with confidence.
2. The student will have a framework for all future studies on Church history.

IV. Preassessment: None

V. Instructional/Learning Activities:

- A. The student will read the textbook.
- B. The student will watch and listen to the 10 lectures.
- C. The student will take and pass a 10-question quiz after each lecture.
- D. The student will take and pass the 50-question final exam.

VI. Corrective Learning Opportunities: After each quiz the student will receive a grade and then if performance is poor, listen to the lecture again and retake the quiz.

VII. Learning Resources, Materials, Tools, etc.

Church History, Simply Stated by Harold R. Eberle
